OR91-036

Dear Mr. Giddings:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, article 6252-17a, V.T.C.S. Your request concerns information previously discussed in letter ruling OR90-485. In OR90-485 we requested that you resubmit certain documents for which you had claimed exception from public disclosure under section 3(a)(11). Your current request was assigned ID# 10859.

We have considered the exception you claimed, specifically section 3(a)(11), and have reviewed the documents at issue. The information resubmitted meets the test for exception discussed in OR90-485. See also Open Records Decision No. 559 (1990). For this reason, you may withhold the requested information.

Because case law and prior published open records decisions resolve your request, we are resolving this matter with this informal letter ruling rather than with a published open records decision. If you have questions about this ruling, please refer to OR91-036.

Yours very truly,

John Steiner by S G
